### **OCSNH Pell Recalculation Policy**

**The Pell Recalculation Date (PRD), also known as the Financial Aid Freeze Date, is the date when the Financial Aid Office locks your enrollment for the semester. On this date, the Financial Aid Office calculates the number of credits you are enrolled in to determine your eligibility for the Pell Grant or other federal grants.**

For the Spring 2025 Semester, the Freeze Date is Tuesday, February 11, 2025.

- **You should register for ALL courses you plan to attend for the Spring semester at any OCSNH college on or before Tuesday, February 11, 2025.**
- **Classes added or dropped after the PRD will not affect your Pell Grant award (increase or decrease) for the semester.**
- **If you withdraw from a course(s) prior to February 11, 2025, the course(s) credits will not be Pell**
